The 1986 Dedication

Miss Donna Politza

We, the class of '86, proudly dedicate our edition of "The Eagle" to Miss Donna Politza, who has helped our class throughout our high school years.

As our class advisor for our senior year, her time, efforts, and devotion was greatly appreciated. She has taught English for 13 years and served as Cosmopolitan Council Advisor.

We are proud to dedicate our yearbook to Miss Donna Politza. Thank you, "Miss P.", for everything.

Hail to thee dear royal eagle Guard the land below; Where now stands our Alma Mater That we love and know.

Proudly as we watch our banners
Waving on the hill;
Through the years our love has deepened
Loyal are we still.

Nearby is the Susquehanna Flowing by our shore; History we hold so sacred As in days of your.

Dear Line Mountain – Seat of Knowledge Your truths guide our ways; Blue and Gold will be our banner Cherished all our days.

Class Motto:

Cherish your yesterdays, dream your tomorrows, but live your todays.

Class Flower:

Class Colors:

White Rose

Lilac and Baby Blue

Class Song:

GUDBYE

As the sun hides his head
For another nights rest
And the wind sings
His same old song
And you on the edge
Never close, never far
Always there when I needed a friend
Yet it's hard living life
On this memory-go-round
Always up, always down
Spinning 'round and 'round

CHORUS

And all this could be
Just a dream so it seems
I was never much good at goodbye
There once was a time
Never far from my mind
On the beach, on the 4th of July
I remember the sand
How you held out your hand
And we touched for what seemed a lifetime
Now it's hard
Leaving all this behind me now
Like a schoolboy so lost
Never found until now

CHORUS

Yet it's hard
Living life on this memory-go-round
Always up, always down
Turning 'round and 'round
And all this could be
Just a dream so seems
I was never much good at goodbye

GOODBYE

rate Lawyer.

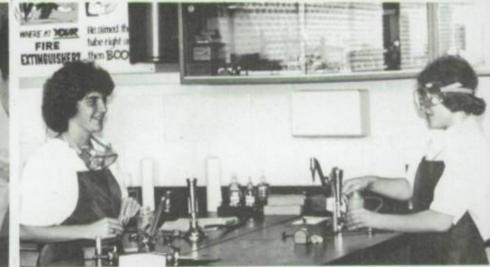

Hi! I am Hanna Leppavuori from Finland. I live on the West Coast in Sepankyla, which is about three miles away from a bigger town, Vassa. I live in a single-family house with my father, mother, sister, and brother. My father, Toivo, works in the Water Right appeal court as an engineer. My mother, Sirkka-Leena, teaches mathematics, chemistry, and physics for grades seven to nine. Maria, my sister, is nineteen and she will graduate this year. Ilkka is eight years old and his big dream is to become a millionaire and buy the Concord.

My school "Onkilahden lukio" is in Vassa. It is a small school but I like it. All my good friends are there. After school I spend a lot of time with them. I also like reading books, jogging, swimming, cross-country skiing, listening to music, watching good movies and sports on TV and playing games with computers.

Winters are cold and dark. I spend a lot of time inside then, but in the summertime it is warm and days are long. We celebrate midsummer at the end of June and then the sun

shines all the night.

When I go back to Finland, I have two more years of school. In the future I would like to travel all over the world as much as possible. My career aspiration is to become a doctor.

Class History

We, the Class of 1986, would like to share with you some of the memorable highlights we've experienced during our four years at Line Mountain High School.

From the very first time we entered Line Mountain's doors, a sense of uncertainty and newness flooded our thoughts. Although we were scared at first, we soon realized that the next four years would be preparing us for the new frontier ahead — life on our own. As freshmen we chose as our leaders Michelle Mattern, President; Jaci Jones, Vice President; Karyn Vandervoort, Treasurer; and Cami Snyder, Secretary.

One highlight of our sophomore year was the receiving of our class rings. They were the symbols of our pride in our school. Also that year many of us turned 16, giving us the opportunity to "get behind the wheel." The first International Week was held during this year honoring German culture. At this special event, our class was represented by Cami Snyder and Jaci Jones. To guide us through the year, we elected Michelle Mattern as President, Matt Deppen as Vice President, Cami Snyder as Treasurer, and Jaci Jones as Secretary.

During our junior year we stayed late at night decorating for the prom. The Spanish culture was exhibited during the second International Week. The queen for this event was Michelle Mattern with Angie Davis as first runner up. In sports, the girls basketball team won the WQIN Girls Holiday Tournament. Also, the wrestling team was the Mid-Penn Co-Champs. Our winning spirit was dampened when we experienced the loss of one of our teachers, Mr. Robert Myers. He will always be remembered not only as a teacher, but as one who had a special ability to communicate with each one of us. For our class officers we chose Michelle Mattern as President, Matt Deppen as Vice President, Jaci Jones as Secretary, and Mike Lagerman as Treasurer.

We started off our senior year with a new surprise — the addition to our class of foreign exchange student Hanna Leppavouri. She is from the west coast of Finland, and we had lots of fun sharing customs. One of the highlights of the year came at homecoming with Jaci Jones receiving the crown. We soon felt the excitement of graduation when the time came to get measured for caps and gowns. To top it all off, we received first place in the float competition for the third year in a row. We strove especially hard this year for a winning season, because we realized this was our last year here at Line Mountain.

We chose for our leaders Tammy Hain as President, Pat Brosius as Vice President, Cami Snyder as Treasurer, Jaci Jones as Secretary, and Wes Wagner as Historian.

Now as we pass through the doors of Line Mountain for the last time, we will carry with us our friendships, memories, and dreams. Although we will go our separate ways, these three things will keep us together for the years to come.

In Memory

Of

Mr. Robert Myers

In the middle of our Junior year we lost a very dear friend, Mr. Robert Myers, who was a history teacher for 18 years at Line Mountain. He will be remembered for the inspiration he provided during his history classes as well as a class advisor. Not only was Mr. Myers a fine teacher, he was also a person who provided the guidance we needed to become a successful citizen.

Our auditorium has been dedicated to the memory of Mr. Myers, and he will always be remembered by each of us in our hearts.

This edition of "The Eagle" is a formal memorial to Mr. Myers from the Class of 86.

Mrs. Betty Koppenhaver

Near the closing of our Senior year we lost a member of our school faculty, Mrs. Betty Koppenhaver, our school nurse. She served as Health Career Club advisor and involved herself in many other school activities, throughout her years at Line Mountain.

Mrs. Koppenhaver will always be remembered by the students and faculty.

Courses

At Line Mountain, students are able to choose a curriculum that best fits their career goal. The courses offered include: Vocational Agricultural, Vocational Technical, Academic, Business, and Vocational Home Economics.

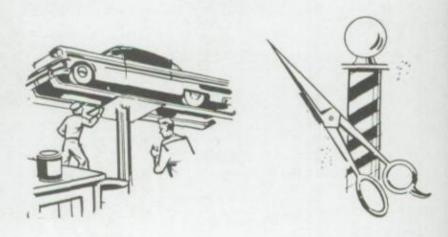

The Vocational Agricultural course prepares a student to be a prosperous farmer.

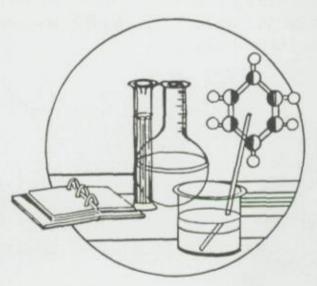

The Vocational Technical course prepares a student to enter into a specialized trade.

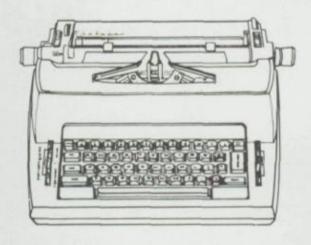

Courses

The Academic course prepares a student for college education.

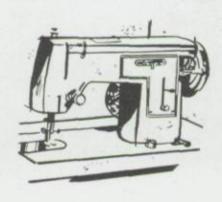

The Business course prepares a student for the business world.

The Vocational Home Economics course prepares a student to be a successful homemaker.

International Week 1985

Row 1: Jami Fisher, Michelle Mattern, Peggy Carl, and Christi Madden. Row 2: Tioni Campbell, Angie Davis, Dana Martz, and Sue Keiter.

During International Week the halls of Line Mountain rang with the excitement of Spain. Students were exposed to the Spanish culture, language, and customs throughout the week.

The flag ceremony kicked off the festivities. Mrs. Knorr, with the help of her Spanish students, explained the heritage of Spain. She also introduced to us many common Spanish words. For instance, ola was often heard throughout the halls during the week. This ceremony also introducted the contestants vying for the Spanish crown.

Students had the chance of participating in this festival when they dressed up in their traditional Spanish costumes.

The gymnasium was filled with action during the mock bullfight. It was an hilarous experience as all watched the matadors desperately tried to escape the horns of the bull.

The highlight of the week was the crowning of our Spanish International Queen, Michelle Mattern. To end the festivities students and faculty had the chance to sample dishes at the food bazaar.

Our tribute to Spain was an enjoyable learning experience for all.

Patrons

The Class of 1986 would like to give a special thanks to Miss Marion Drumheller. The yearbook staff has greatly appreciated her time in assisting and directing us. Without her commitment and help, preparation of the 1986 edition of The Eagle would not have been possible. We deeply appreciate her dedication to the yearbook staff in spending many long hours after school. Every member of the staff would be happy to give a big thank-you, Miss Drumheller, for the treats you provided at each meeting. Thanks again for everything!

ALWAYS HAVE A DREAM

Forget about the days when its been cloudy but don't forget your hours in the sun.

Forget about the times you've been defeated but don't forget the victories you've won.

Forget about the mistakes you can't change now but don't forget the lessons you've learned.

Forget about the misfortunes you've encountered but don't forget the times your luck has turned.

Forget about the days when you've been lonely but don't forget the friendly smiles you've seen.

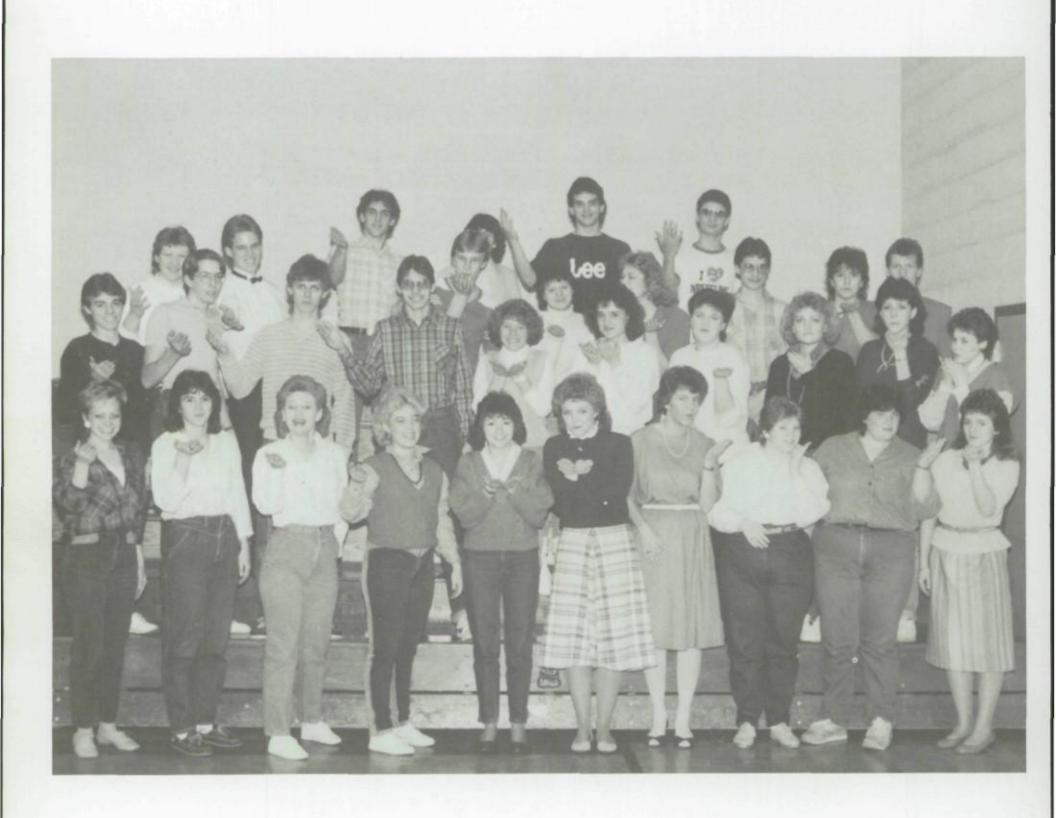

Forget about the plans that didn't seem to work out right but don't forget to Always Have A Dream.
